Be the Change. Volunteer!

Be a part of Coastal Georgia's asset building volunteer team!

★ **Tax Preparer:** Learn a valuable skill and make a difference in the lives of those less fortunate by preparing income tax returns free of charge. Free IRS training and materials. No previous accounting or tax experience necessary. Computer experience preferred.

★ **VITA** (Volunteer Income Tax Assistance): 18-20 hours of training, requiring a certification test upon class completion. Volunteers are asked to donate at least 30 hours between January 15th and April 15th. VITA tax assistance sites help families whose household income does not exceed \$49,000.

★ **VITA Tax Site Greeter:** Be the first light of hope our tax clients see when they enter one of our free tax sites. Greeters welcome clients, review their identification and paper work to assure they are in order, keep the waiting room running smoothly and make certain that taxpayers get their returns prepared according to their turn.

★ **Volunteer Training will be on January 11th and 12th. Please call (912) 279.2600 to coordinate your training session.**
